Dear Ladies and Gentlemen:

On behalf of Texas Scottish Rite Hospital for Children, I would like to once again thank you for awarding the Bill Dennis Humanitarian Award to the Wade Collins Educational Fund.

Robert Mood, Wade's dear friend and colleague, hand delivered the check to us this week. We are honored to accept these funds in Wade's honor and assure you the funds will be used to provide education opportunities for the Hospital's Central Service/Sterile Processing staff.

Again, we thank the members of IAHCSMM for remembering Wade Collins with this special contribution to Texas Scottish Rite Hospital.

Sincerely,

A handwritten signature in black ink that reads "Robert L. Walker".
