Central Service Technical Manual 7th Edition

IAHCSMM is pleased to announce the Central Service Technical Manual, Seventh Edition, a completely revised educational tool for Central Service Professionals.

This new edition is designed to provide Central Service Professionals with the latest information on all aspects of sterile processing and to introduce future Central Service Professionals to the fast-paced field of CS.

Key changes to the new text include over 300 color photos and charts and a new easy-to-read format that identifies key words and concepts. Several new chapters include Tools for Cleaning, Point of Use Preparation and Transport, Complex Surgical Instruments, Point of Use Processing, Tracking Systems, and Ambulatory Surgery and Related Practices.
