

STATE OF MAINE  
OFFICE OF THE GOVERNOR  
1 STATE HOUSE STATION  
AUGUSTA, MAINE  
04333-0001

Paul R. LePage  
GOVERNOR

September 23, 2015

Greetings,

On behalf of the people of Maine, it is my pleasure to recognize the central service technicians for their contributions to the hospitals of Maine, and the patients that are cared for. The dedication that they show in taking responsible, diligent, and attentive measures in sterilizing the hospital devices, for patients, is admirable.

The process of decontaminating, cleaning, assembling, sterilizing, storing, and distributing medical instruments is important to the health and well-being of many Mainers. I recognize that these technicians are dedicated to the safety of patients. Infections are prevented in the operating rooms, Endoscopy suite, ICU, birth centers, and many other areas because of their effective work.

I would like to thank these technicians for their noble work in the sterilization of surgical instruments. I wish them all the best as they continue to help the people of Maine.

Sincerely,

Paul R. LePage  
Governor
