**Staff education DVDs that are**  
**"Of Critical Importance"**  
**to any CSSD department**

**THE ULTIMATE TRAINING TOOLS  
 TO PROVIDE TARGETED EDUCATION**

Produced by:

**IAHCSMM**  
Instrumental to Patient Care®

**ENVISION**  
INCORPORATED

*Leaders in Health Care Education*

# Content You Can Trust!

Produced by Envision, Inc. in partnership with IAHCSSM, the **"Of Critical Importance" Staff**

**Education DVD Series** applies best practices established by IAHCSSM, AAMI, OSHA, CDC, FDA, AORN, CMS and other leading healthcare organizations.

Packed with hands-on tips, practical examples and helpful insights, each program in this 19-part series provides visual demonstrations by *real* CS and OR professionals as they address some of the most critical issues facing the CSSD and OR today.

These programs are ideal for:

- **New Employee Orientation**
- **General Staff Education**
- **Refreshers for Seasoned Employees**
- **Remedial Training**
- **OR Education**

## Targeted Education!

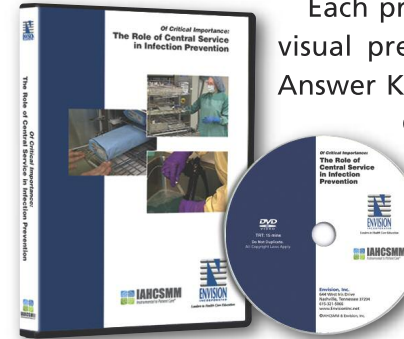

Choose from 19 essential topics that provide targeted education to any CS Department:

- |                                                       |                                             |
|-------------------------------------------------------|---------------------------------------------|
| Accreditation Survey                                  | <b>NEW</b> Monitoring & Documentation       |
| Cleaning Protocols                                    | Packaging Techniques                        |
| Environmental Management                              | Powered-Surgical Instruments                |
| General Orientation                                   | <b>NEW</b> Reprocessing Flexible Endoscopes |
| <b>NEW</b> High-level Disinfection                    | Reprocessing Robotic Instruments            |
| Immediate-Use Steam Sterilization                     | Sterilization                               |
| Improving Communication                               | Sustainability                              |
| Inspecting Instruments                                | Tray Assembly                               |
| <b>NEW</b> Interpreting Guidelines, Standards, & IFUs | Wet Packs                                   |
| Loaner Instruments                                    |                                             |

## The Ultimate Training Tools!

Each program features a short, 10 – 15 minute visual presentation, 10 Question Post Test with Answer Key, Glossary of Terms, and Certificate of Completion Template. Plus, each program is approved by IAHCSSM for 1 hour of Continuing Education. This means that *all* staff who participate can earn CE credits at no additional cost!

## Free Site License!

One FREE site license\* is included with purchase so that programs can be uploaded to Learning Management Systems for *all* staff to access!

*\*please call to request*

## Cost Effective!

All programs are offered to IAHCSSM members at a significant discount! Purchase programs individually, or stretch your education budget by purchasing multiple programs in the series at substantial discounts.
